SDNP/18/02654/HOUS	Holly Gate House, Limbourne Lane, Fittleworth Proposal: First floor extension to provide 3 no. bedrooms to include raised roof structure and associated works in addition to the construction of feature gable.	The Parish Council object on the grounds that the proposed increased accommodation is substantially out of keeping with the retained accommodation, in that the proposed materials do not closely match the retained materials, including new aluminium windows as against retained wooden windows , and new vertical cedar cladding as against retained stone walls. We consider that the two storey element should be more central, and the design language should reflect that of the main House. In addition the proposed extended roof line would not be in keeping with the other retained ridge lines and would generally give an unbalanced impression to the whole set of buildings. The proposed feature
