30TH OCTOBER – 3RD NOVEMBER 2023

Meals on Wheels has always been more than just delivering a meal. We care about wellbeing and are proud of how our service gives clients and their loved ones peace of mind. Our vital service helps fight isolation and loneliness, with friendly team members providing regular support and essential wellbeing checks.

Meals on Wheels Week is a campaign that unites the health and social care sector, caterers, service providers, food suppliers, volunteers, carers, older people, and the public to raise awareness about the value of community-based meal services for older and disabled people.

2022-23 impact:

583,969 hot meals delivered to 7,062 clients and
728,676 extra support interventions to support independence
